DEAR NEIGHBOR,

- This year marks 10 years of fighting for our dignity as your State Senator. Whether Black, Brown, or White, rich or poor, rural or urban, and however you identify, we all have dignity, God given inherent worth.
- Over the past decade my office and I have worked to protect the dignity of our neighbors. With you support we have had some outstanding accomplishments including, but not limited to:
- Cut total shootings in Northwest Philadelphia from 154 in 2022 to 63 in 2024, through violence intervention efforts,
 - Expanded access to childcare assistance to moderate income families,
 - Secured \$100 million each year for affordable housing,
 - Protected the most vulnerable in our guardianship system,
 - Increased health access with \$14 million for dozens of mobile, community and school health clinics,
 - Provided direct services in our offices to over 20,000 neighbors,
 - Released the ENOUGH report on racial harassment of Black and brown college students in Pennsylvania,
 - And so much more!

At the same time, our core fight to raise the minimum wage from \$7.25 per hour is unfinished. Moreover, we are in dangerous times. There continue to be unlawful actions by the federal government that undermine our dignity and threaten our neighbors. We face rollbacks and cutbacks to healthcare, childcare, food access and more.

YOU can count on me to take actions to resist the unlawful actions and cuts that will put our families and neighbors in jeopardy. In 2025 and beyond we will continue to fight for the dignity of every Pennsylvanian, especially those who have been left behind. Let 2025 be the year of **Dignity for All**.

Please join me to embrace the dignity of every person.

Never give up,

Senator Art Haywood
